STATEMENT: Kelly Brough on Medical Abortion Ruling

Denver, CO – Today, the U.S. Court of Appeals for the 5th Circuit [ruled to limit access to medical abortion](#).

Mayoral candidate Kelly Brough reacted with the following statement:

“As the next Mayor of Denver, I will stand firm for access to the full spectrum of reproductive health care including medical abortion. In Denver, we will not allow this outrageous attempt to suppress science and take freedom away to stand. I applaud the work of state Senator Julie Gonzales and state Representatives Froelich and Esgar whose bold leadership has protected access to abortion care in Colorado. If elected Mayor, I will partner with our legislative leaders and local healthcare providers to ensure Colorado protections are expanded and never rolled back.”
