Denver, CO – With just about one month left until the Denver Mayoral run-off election, Kelly Brough is in strong standing by entering May with \$416,271 cash on hand, which is \$38,552 more than her opponent.

**“This is a campaign for Denver, and powered by Denver,”** said Nico Delgado, spokesperson for the Brough campaign. **“Kelly is running a homegrown campaign with 90% of donations coming from Coloradans and nearly 70% coming from Denver residents. These are donations from Coloradans who believe in Kelly’s vision and are invested in the future of our City. Meanwhile, Michael Johnston’s political ambitions continue to be fueled by the uber wealthy elite network of out-of-state millionaires and billionaires who are motivated by maintaining the status quo.”**
